President's Report

As we reflect on another exciting year at Raiz Federal Credit Union, I am both proud and grateful to share our progress and achievements in 2024. This year's focus on operational efficiencies, fueled by our successful core and digital system conversions, has paved the way for a bright future for our credit union and has enabled us to better serve you, our valued members.

One of our most significant milestones this past year was the opening of our new Mortgage & Business Services Center. This new center demonstrates our commitment to providing top-tier mortgage and business services in our community. It is a place where our members will find the tools, expertise, and support they need to build and grow their businesses, secure their dream homes, and achieve their financial goals.

This year, we also saw the first phases of expanding our services beyond El Paso and the borders of Texas. We proudly opened new accounts for members across various states, extending our vision and commitment to financial inclusion. This growth marks a new chapter for us, fostering broader engagement and enabling us to welcome members from diverse backgrounds and locations into the family.

In our continuous efforts to enhance our digital services, we implemented notable improvements that have made banking more efficient and accessible for you. Our mobile app continues to be updated to offer a seamless user experience and integrate features like a robust card management hub, seamless direct deposit digital set-up, and Zelle. We also improved our online banking platform to include easier navigation and enhanced security measures, making it simpler to manage your finances securely and reliably, anytime and anywhere.

I am thrilled to announce that in 2024, we distributed over \$9.6 million in dividends to our members. These dividends reflect our commitment to supporting your financial well-being. Additionally, our credit union disbursed a total of over \$181 million in loans this year, including personal loans, mortgages, and auto loans. These numbers demonstrate our dedication to empowering members to achieve their goals, whether that be purchasing a new home or getting behind the wheel of their dream car.

Our commitment to community impact remains unwavering. Throughout 2024, we engaged in various

initiatives, including our continuous support for the Underserved Communities Foundation (UCF), as well as raising awareness and funds for many local charities and projects that uplift our community. By collaborating with local organizations, we reinforced our mission of being a community-focused financial institution and a vital part of catalyzing the growth in the social-economic fabric.

In today's ever-evolving digital landscape, we recognize how critical it is to defend our members' finances against fraud and cyber threats. Our robust security strategies led to a remarkable decline in fraudulent activities this year. We have invested significantly in cybersecurity measures, including real-time fraud detection systems and comprehensive member education. Our proactive approach has helped provide peace of mind and safety for you when using our services.

Looking ahead, we are excited about the advancements coming in 2025. We are committed to making banking with Raiz even more convenient, with goals of faster account openings and enhanced digital experiences. We understand that your time is valuable, and our team is working tirelessly to implement changes to streamline your interactions with us. Expect continued updates as we introduce innovative features designed to improve your banking experience.

Finally, I want to thank each of you for your trust and support. I am excited that our community has named us the Best Credit Union in the City Magazine Best of Awards for the second year in a row. We continue to be rated as the highest local financial institution via Google Reviews. We thank you for these recognitions and are grateful for your continuous support. Your membership is at the heart of everything we do, and we remain dedicated to enhancing your financial well-being while positively impacting our community. Together, we can achieve even greater success in the year ahead.

Opportunity Knocks, a PBS series filmed in El Paso, achieved a remarkable triumph at the 11th Annual American Reality Television Awards, claiming the ‘Best Feel Good Show of the Year’ title and outshining popular shows like The Voice and Shark Tank. Featuring the inspiring journey of El Paosan Nicole Landini and shining a light on organizations like Raiz Federal Credit Union and Project Amistad, the series empowers families with valuable financial tools, such as The Opportunity Finder and The Opportunity Coach, to overcome financial challenges. Across two seasons and with the help of 17 non-profits, Opportunity Knocks has helped 12 families pursue their dreams of relieving their financial stress.

ESC19 Teacher of the Year Gala

Raiz has proudly supported the ESC Region 19 Teacher of the Year program for 18 consecutive years and continues to do so. As we celebrate the outstanding educators who participate in this program, we also honor our seven founding educators who embraced the credit union mission of "People Helping People." They understood that investing in teachers is an investment in the future of our community. Raiz awarded \$2,000 to the first-place winners in both the elementary and secondary categories.

Mortgage and Business Services Center

In August 2024, Raiz celebrated the grand opening of its Mortgage and Business Services Center, located directly across from the El Paso International Airport. This newly constructed building embodies Raiz commitment to community growth, housing the commercial lending team, residential mortgage team, and the newly established small business lending team. Raiz invites the community to embrace this service center as a valuable resource in navigating pathways toward their financial aspirations, whether personal or business-related. The space is thoughtfully designed for members to connect and collaborate with financial experts. The Raiz Mortgage and Business Services Center stands as a testament to the credit union’s mission of empowering, uplifting, and positively impacting the community in this vibrant and rapidly growing area.

Chalk the Block

Raiz Federal Credit Union was the major sponsor for the 17th Annual Chalk the Block festival in downtown El Paso. As one of the largest art festivals in the region, Chalk the Block showcases the beauty and diversity of El Paso’s artistic community and Raiz was honored to be part of an event that brings people together, inspires creativity and provides a weekend of joy for all ages. In addition, Raiz sponsored the first People’s Choice award and donated a \$1,000 Express Start Share Certificate to the winner.

City and County Proclamations

Raiz Federal Credit Union Day was proclaimed on March 18, 2025, during the City Council Meeting by Mayor Renard Johnson, District 6 Representative, Art Fierro and the rest of the council in recognition of our partnership and collaboration with Opportunity Knocks. El Paso County also adopted a resolution of recognition and appreciation to Raiz Federal Credit Union and Jamie Strayer, producer of the TV series Opportunity Knocks, for their dedication to providing financial empowerment and supporting underserved communities.

Cultural Community Champion

In June 2024, the YWCA El Paso del Norte Region and The Great Khalid Foundation held the second annual Juneteenth Cultural Celebration Gala, where Raiz Federal Credit Union was honored as the Cultural Community Champion of the Year and accepted the Diversity, Equity, and Inclusion (DEI) Champion Award. The award recognizes Raiz for its leadership in promoting cultural inclusion within the workplace and empowering the El Paso community by extending financial literacy programs and inclusive services, empowering families and individuals in El Paso to achieve financial stability and growth.

Raiz Federal Credit Union was voted "Best Credit Union" in The City Magazine's 2024 Best Of awards for the second consecutive year, earning a gold placement. These prestigious awards celebrate excellence among the most respected businesses in the El Paso region. The winners are determined entirely by fan votes, allowing residents of El Paso to select their favorites in various categories, including retail, food, music, media, and more. Winning this award for the second year solidifies Raiz's reputation as a

leading credit union in the city, as it continues to provide exceptional value to its members and help them achieve their financial goals.
